

Judge Robart

UNITED STATES DISTRICT COURT FOR THE
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

UNITED STATES OF AMERICA,

Plaintiff,

v.

CAMDEM LAMP,

Defendant.

NO. CR20-0166JLR

ORDER SETTING PRE-TRIAL
MOTIONS DUE DATE AND
TRIAL DATE

Having considered the record and the Status Hearing held on April 5, 2021, and General Order 18-20 for the Western District of Washington and previously issued General Orders incorporated therein, failure to continue the trial date would likely make trial impossible and result in a miscarriage of justice; further, continuance of the trial date will allow counsel reasonable time necessary to effective preparation for pre-trial motions and trial, therefor, the Court FINDS the ends of justice served by setting a new trial date outweighs the best interests of the public and the defendant in a speedy trial. 18 U.S.C. § 3161(h)(7)(A), (B)(i), and B(iv). IT IS HEREBY ORDERED:

Pre-Trial motions shall be filed by July 1, 2021.

Trial is set for August 10, 2021.

1 IT IS FURTHER ORDERED that the time between the date of the status hearing of
2 April 5, 2021, to the new trial is excluded in computing the time within which trial must
3 commence because the ends of justice served by granting this continuance outweigh the best
4 interest of the public and the defendant in a speedy trial. 18 U.S.C. § 3161(h)(7)(A).

5 Dated this 12th day of April, 2021.
